

Standard Terms and Conditions of Purchase

These Conditions of Purchase are applicable to the purchase of products, goods and /or services (hereinafter referred to as “Deliverables”) by QQE SUMMIT, LLC. or one of its affiliates or subsidiaries identified on the face of this Purchase Order (“QQE”) from the Seller identified on the face of the Purchase Order.

1. Orders. The Purchase Order to which these Conditions of Purchase are attached and/or incorporated by reference, is an offer to purchase the Deliverables from Seller on the terms set out in the Purchase Order and in these Conditions of Purchase, and shall become a binding agreement and shall be deemed accepted upon acknowledgment of receipt of this Purchase Order or the commencement of performance by the Seller in any manner consistent with the Purchase Order or by any shipment to QQE of Deliverables described on the face of the Purchase Order, whichever occurs first. In the event of any inconsistency or conflict between the terms set out on the face of the Purchase Order and these Conditions of Purchase, the terms set out on the face of the Purchase Order shall prevail. This Purchase Order together with any specifications, drawings or other written instructions issued hereunder contains the complete and final agreement between QQE and Seller and all prior negotiations, quotations, proposals, and writings pertaining to this Purchase Order are superseded hereby. Any different or additional terms or conditions in any Seller quotation, proposal, acknowledgment, commencement, invoice or other document or communication issued by Seller shall constitute a counteroffer and no contract shall exist unless accepted in writing by QQE; provided, however, that in the event that Seller has commenced performance, such different or additional terms or conditions shall be void and of no effect, and these Conditions of Purchase and the Purchase Order shall prevail. Any reference in the Purchase Order to Seller’s quotation or proposal is for the purpose of reference to the technical specifications or information contained therein, and shall not incorporate by reference any different or additional terms or conditions of Seller that may be contained and/or referenced therein. In the event of any ambiguities, express conflicts or discrepancies in the specifications, drawings or other documents which are a part of this Purchase Order, Seller shall immediately submit the matter to QQE for its determination and shall comply with the determination of QQE in such matter.

2. Changes. QQE may at any time, by written notice, make changes in drawings, specifications, descriptions, shipping instructions, quantities and or delivery schedules. Should any change increase or decrease the cost of any Deliverables, Seller shall immediately notify QQE providing details and QQE shall make an equitable adjustment in the purchase price. No change to the Purchase Order shall be valid unless agreed in writing by an authorized representative of QQE. If due to design changes QQE requests additional or alternate components similar to the Deliverables herein, any such additional or alternate order shall be in accordance with the same pricing structure and terms as contained herein.

3. Delivery. Time is of the essence for performance under this Purchase Order. Delivery of Deliverables in accordance with delivery dates specified on the face of this Purchase Order is critical to the ability of QQE to meet its contractual obligations to its customer. Seller shall work the necessary hours with sufficient facilities and manpower to ensure that Deliverables are delivered on the date or dates specified by QQE. In addition, if Seller fails to meet the delivery dates as specified by QQE other than by reason of Excusable Delay (as defined herein), QQE may, without limiting or affecting its other rights or remedies available hereunder or at law or in equity, direct expedited shipment and/or incur premium freight or transportation costs, and Seller shall pay upon demand all excess costs incurred thereby, including

additional handling charges and other expenses (whether related or not) resulting therefrom. Seller shall be responsible for all other direct, consequential, and incidental damages incurred by QQE as a result of Seller's failure to meet the delivery dates, other than by reason of an Excusable Delay, including without limitation the reimbursement of any costs, penalties, and damages owed by QQE to its customer for late delivery or other performance, and the cost of obtaining replacement deliverables from an alternate source. QQE's actions in obtaining substitute or replacement deliverables shall not limit its rights and remedies available hereunder or at law or in equity.

4. Excusable Delay; Force Majeure. Neither party shall be responsible for the delay in performance of its work where such delay is due to act of God, public enemy, compliance with laws, governmental acts or regulations, fire, act of civil or military authority, Governmental priority, flood, epidemic, war, riot, or other causes substantially similar to the foregoing beyond its reasonable control ("Excusable Delay"). Immediately upon the date the Seller first knows, or acting reasonably should have known, of the circumstances giving rise to an Excusable Delay, the Seller shall provide written notice requesting a schedule adjustment. The notice shall include complete details supporting the claim and all reasonable alternative courses of action in the case of any continued delay. Failure to provide timely notice shall be cause for QQE to refuse to make a schedule adjustment for a belated notification. If any Excusable Delay lasts longer than thirty (30) days, QQE may in its sole discretion terminate the Purchase Order without liability.

5. Shipments. All Deliverables are to be suitably prepared for shipment and must be packed and shipped in accordance with the governing classification and tariffs applicable thereto, and in accordance with QQE's packaging instructions, if any. All Deliverables shall be packaged in a manner sufficient to ensure delivery in an undamaged condition. Seller shall be responsible for costs or damages incurred by QQE as a result of or caused by improper packaging. All shipments and packages shall include a packing slip listing the Deliverables, quantities, QQE part numbers (if any), Purchase Order number, shipping location name and receiving department number. Any materials or substances considered hazardous or toxic shall be delivered in appropriate containers / packaging with the required warning labels clearly visible and the respective Material Safety Data Sheets accompanying the delivery, in compliance with all applicable laws. Seller shall notify QQE by facsimile or electronic transmission seven (7) days prior to expected shipment. On the day of shipment, Seller shall confirm shipment by facsimile or electronic transmission notification that shall include: the carrier's name, the waybill number, number of pieces, estimated weight (by piece and total), progressive bill number, destination, and estimated date of delivery. Unless otherwise indicated on the Purchase Order, delivery will be made to QQE's headquarters, FOB destination. Material delivered without proper containment, packaging, labeling and documentation may be returned to Seller at Seller's expense. If the Deliverables are not shipped in accordance with QQE's specifications and/or QQE's packaging instructions, Seller shall pay or reimburse QQE for the any and all excess and additional costs occasioned thereby.

6. Certificates of Origin. Upon request, Seller shall promptly furnish to QQE all certificates of origin or domestic value-added and all other information relating to the costs and places of origin of the Deliverables and the materials and components contained therein or used in the performance thereof, as may be required by QQE to comply fully with all customs, tariffs and other applicable governmental regulations. Seller shall comply with all such regulations. Seller shall indemnify and hold QQE, its subsidiaries and affiliates, their respective successors, assigns, representatives, employees and agents, and QQE's customer harmless from and against all liabilities, demands, claims, losses, costs, damages and expenses of any nature or kind (including fines and penalties) arising from or as a result of: (i) Seller's delay in furnishing such certificates or other information to QQE; (ii) any errors or omissions contained in such certificates; and (iii) any non-compliance by Seller with such regulations.

7. Security Interest, Title and Risk of Loss. In the event progress payments or advances will be made, Seller hereby grants QQE a security interest in the Deliverables as well as any and all components, inventory, and raw materials, whether now existing or hereafter arising, and any replacements,

improvements, substitutions, attachments, and accessions thereto or thereon purchased by Seller with progress payments or advances made by QQE and to be used by Seller in manufacturing the Deliverables. Seller agrees to execute and deliver all documents requested by QQE to protect and maintain QQE's security interest. Title and risk of loss or damage to the Deliverables shall pass to QQE upon delivery to the specified destination. Seller warrants that upon delivery QQE shall acquire good and clear title, free and clear of all liens, encumbrances and security interests. To the maximum extent permitted by the applicable law, Seller waives any lien or other rights that Seller might otherwise have on or in any of QQE's or QQE's customer's property, and agrees that neither Seller, nor any of its subcontractors or suppliers, or their respective employees, will assert any interest in or make any filings including any construction or mechanic's liens or other filings in respect of any part of the Deliverables, the facility into and the land on to which the Deliverables are to be located. All drawings, specifications, manuals, models, software and all other data prepared in conjunction with this Purchase Order shall be deemed to be works for hire and shall belong exclusively to QQE. If by operation of law any of the foregoing material is not work made for hire, then Seller agrees to assign, and hereby assigns, to QQE the ownership of such material including all copyrights thereto.

Seller shall provide suitable facilities and support to accommodate such inspections. Any inspection of the Deliverables prior to delivery and operational acceptance testing shall not be deemed acceptance of any nonconformance to the specifications or the QQE Supplier Quality Manual. QQE shall have a reasonable time to inspect Deliverables following delivery. Deliverables are deemed accepted by QQE after ten (10) days of delivery unless QQE notifies Seller of either (i) a non-conformance; or (ii) QQE's reasonable need for additional inspection time. Upon notification from QQE in the form of a non-conformance report ("NCR"), Seller shall immediately repair or replace defective or non-conforming Deliverables in accordance with QQE's Supplier Quality Manual at Seller's expense during the warranty period. Upon receipt of an NCR, Seller shall, at the discretion of QQE acting reasonably, immediately pay to QQE an amount as reasonably determined by QQE representing QQE's costs arising from the defect or non-conformance including without limitation all labor and other expense incurred to identify the defect or non-conformity and any down time caused thereby. QQE's action to effect cure of any defect or non-conformity shall not relieve Seller of any of its warranty obligations hereunder. The foregoing shall not be in limitation of any rights that QQE

21. Severability. The invalidity of any provision of the Purchase Order or these Conditions of Purchase shall not affect the validity of the remaining provisions hereof. The invalid provision shall be amended or deleted and the remaining provisions shall remain in full force and effect.

None of the persons engaged by Seller in the performance of its obligations under this Purchase Order shall be considered as employees of QQE.

24. Governing Law and Disputes. This Purchase Order shall be governed by the laws of the State of Ohio, USA, without regard to any conflict of laws provisions. The terms, provisions, representations, and warranties contained in these Conditions of Purchase that by their sense and context are intended to survive the performance thereof by either party or both parties hereunder (including but not limited to confidentiality, indemnification, disclaimers, representations, and warranties) shall so survive the completion of performance, expiration, or termination of this Purchase Order.
